Dear Mrs Mantley.

Just a few lines  
to let you know that I thank  
you ever so much for your trouble  
I am sorry that I had to bother  
you at the time about Frederic  
coming home. he didnt tell me  
he was playing ball. I was  
try ing to get to see him be-  
fore he got tied on his defense  
Job. of course after I sent to  
Great Lakes. and they wired

11  
back. they had discharged  
him. but didnt know his  
Where abouts. so I just had  
to find him. in the mean  
time I recieved a letter from  
him. stating he had to go  
back on the job. I promise  
I wont bother him in a  
good while now. I would be  
glad if you would encourage  
him to let you write me once  
a month with the same words  
Will say again. Thank you.
